

Empathy Based Interrogation (EBI)

An advanced interview and interrogation technique designed to keep suspects talking

Students will learn how to:

- identify and interview different personalities effectively
- use a "flip the perspective" technique with all suspects
- use empathy and persuasion to maintain longer dialogues
- use strategies to enhance corroboration and information flow
- conduct interviews that build a solid foundation for prosecutions

June 12-14 - Prince William County Police Academy

July 29-31 - Newport News Police Headquarters

August 7-9 - Eanes-Pittman Public Safety Training Center

Nov. 20-22 - Central Virginia Regional Training Center
