EMPATHY BASED INTERROGATION

A research-based interview and interrogation philosophy designed to keep suspects talking.

UPCOMING TRAINING:

November 9-12, 2026
Central Virginia Regional Academy
Lynchburg, VA

$850/person

STUDENTS WILL LEARN HOW TO:

- Effectively identify and interview different suspect personalities.
- Use strategies to enhance accurate information gathering and corroboration.
- Use empathy and persuasion to maintain longer dialogues.
- Create an interrogation "Ops Plan" that includes the strategic use of evidence.
- Use perspective conversion™ to keep a suspect engaged in the conversation.

INSTRUCTORS:

Mark MacKizer – Special Agent,
FBI Behavioral Analysis Unit (Ret.)

Nancy Oglesby, Esq.- Career Prosecutor
